

# quietMED2

Joint programme for GES assessment  
on D11- noise in the Mediterranean  
Marine Region

Support the  
assessment of  
achieving Good  
Environmental  
Status (GES) for  
underwater noise

Coordinated  
measures in the  
Mediterranean  
Region supporting  
Competent  
Authorities

Complete gaps  
in monitoring  
data and  
development of  
information and  
collection tools
